E.P.I.S. - Orange County Private Investigations, we Specialize in Infidelity Investigations, unlike other Investigation Firms who do it as One of Many Other Services. At EPIS cachecheckyourmate.com - Orange County Investigations and Orange County Private Investigators, we provide Orange County Domestic Surveillance, Orange County Background Research Investigation; Orange County Locate Search, Orange County Asset Research and other information gathering Investigations.

INTRODUCTION

We know that many potential clients may be hesitant to place the initial call when working with an investigative service such as EPIS.

Because of this, we make every effort to create the most comfortable atmosphere for our clients as well as always lending an understanding ear. We make the entire investigative process as seamless as possible by working at a speed the client is comfortable with and always providing a direct and clear explanation of our services and any costs involved.

Empire Pacific Investigative Services Inc., established in 1993 by three retired U.S. Federal Agents, where it was taken over by Mr. Mike Hakimi in 2001, as one of the well known seasoned investigator in California, specializing in infidelity and cheating spouse. E.P.I.S. is a licensed and bonded private investigation firm, with well over 75 year's collective investigative experiences between them. The staff at Empire Pacific Investigative Services will handle your case with total confidentiality, respect and understanding of your individual situation. We are equipped to handle cases right in your own backyard. EPIS offers a diverse range of Marriage Infidelity Investigation, individually tailored to our clients' specific needs. EPIS does exactly that! We check your mate/partner, bust cheating spouses, mate surveillance, Matrimonial Investigations, Asset Locates plus Background Checks and that's ALL we do. Other investigation companies might offer this as part of their extensive range of services but it's not their core business or primary function. EPIS focus solely on cheating partners and we do not get caught up in any other type of Investigation work. Throughout its years of service, EPIS has enjoyed an enviable reputation based on dedication to client service. Each member of our staff is highly skilled, thereby ensuring a knowledgeable team proficient in every phase of the investigative field. Another area where EPIS is highly proficient is in Infidelity Background checks, Asset Research, Employment Screening and Restaurant & Bar Investigations, which aid in all areas from gathering information on a potential client.

We offer a friendly professional and most importantly a discreet service both on a local and national scale across the US and internationally if required. We operate 24 hours a day, 7 days a week and feel that it is important that you have access to one of our representatives at all times; when you call, you will always be able to speak with a representative.

Orange County check your mate

Are you tired and unwell of checking up on your spouse or partner's suspicious behavior? Are you sick and tired of having your heart pounding and losing endless hours of sleep due to the depression and doubt as to what is going wrong with your relationship?

There is no uncertainty that infidelity is one of the hardest emotions that anyone could ever go through. Not knowing if your mate is cheating or not knowing where they are and what their activities are, it could play a hard roll in your mind and being stressed at all times.

If you have your suspicions that your mate is having an affair, but for your own peace of mind you need to be sure about the cheating, checking up on your mate is something that is difficult and for some people impossible to cope with alone but once you decide to confirm your suspicions of the infidelity, EPIS licensed Private Investigators are your chosen path.

If you need more information to make an important decision, at Empire Pacific Investigative Services, we are on your side. The call is toll free and the consultation with a private investigator is strictly confidential.

Below are the lists of areas that Empire Pacific Investigative Services Inc., covers within 8-24 hours response time.

To indemnify compliance with all local policy, all investigators remain regionally licensed and insured individually. Depending on regional requirements, each private investigator may be licensed and insured individually and may act as a sub-contractor. In other areas they may be regionally licensed as an individual but employed directly as EPIS Inc., staff. Regardless of the technical method of maintaining each EPIS regional agents. All private investigators must meet and maintain EPIS rigid standards of quality. EPIS nationwide services remains focused on getting results one case at a time.
